Installation

ClubRunner

Hyatt for in Person meetings

Installation

7/1/2022 -We installed a new club President for the new Rotary year beginning July 1. Jim Kilduff will be leading us for the next year.

Our Past President, John Molinelli was on hand to wrap up his year with a few thoughts. Certainly a challenging year but also one which saw us emerge from lockdown, come back to in-person meetings and accomplish a high level of community service.

John recognized several club members for special commendations, based on their significant contributions to our club. Those recognized were Chip Jerry, Sal Levatino, Ed Keenan and Matt Drago.

After being sworn in, our new President spoke to us about what he wants to accomplish during his term. We look forward to another great year with thanks to all outgoing officers and board members for their contributions. Best of luck to the new officers and board.

ClubRunner

7/15/2022 –At lunch on Friday, one of our members, Gerhard Franz, lead a discussion about an important tool in Rotary, which is called ClubRunner. This is a communications, club management and marketing tool and Gerhard is our resident expert. He was able to answer questions, point out areas of opportunity

to improve communications and community outreach as well as improve our use of the available marketing tools.

We thank Gerhard for keeping us updated on this important club tool.

Business Meeting

7/29/2022 – The last meeting of the month is always our business meetings held over zoom. During this meeting we discuss chapter issues and procedures that have been approved by the board at the Wednesday board meeting. If you would like a copy of the board minutes please contact Ed Keenan, Secretary. This meeting is the chance to members to voice any concerns and learn about future events and endeavors.

In Person meeting safety notice

Out of an abundance of caution, for the safety of our members and guests due to the ongoing spread of the Omicron COVID variant, we respectfully request that only members and guests who are vaccinated attend our in-person lunch meetings until further notice.

If you plan to invite a guest to an upcoming in-person meeting, please notify them of this request in advance. We appreciate your understanding and cooperation during these challenging times.

Sincerely The Board of the Princeton Corridor Rotary Club

Rotary District and International Day of Friendship:

Friendship and Rotary go hand in hand whether those are friends in your community or around the globe. Friendship Exchange is an international exchange program that allows participants to take turns hosting one another in their homes and clubs. Here's a throwback of an exchange between Rotary clubs in the Philippines and Canada in 1997.

Mental Health

988 has been designated as the new three-digit dialing code that will route callers to the National Suicide Prevention Lifeline. While some areas may be currently able to connect to the Lifeline by dialing 988, this dialing code will be available to everyone across the United States starting on July 16, 2022.

When people call, text, or chat 988, they will be connected to trained counselors that are part of the existing National Suicide Prevention Lifeline network. These trained counselors will listen, understand how their problems are affecting them, provide support, and connect them to resources if necessary.
