## Business Meeting

**9/4/2020** — This week we held our business meeting. Discussed was our fundraiser for Send Hunger Packing and renewing our raffle license.

## 9/11 commemoration

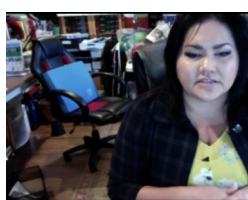

**9/11/2020** -Our club held a special in-person meeting to commemorate the tragic events of 9-11-2001. President-elect John Molinelli hosted the club with member Eric Rosenblum leading the remembrance.

Members shared their memories, losses and experiences leading up to and resulting from the attacks of that day.

The club also recognized the contributions of two of our members, Chip Jerry and Bob Landman, with Paul Harris awards. These are given to members for significant contributions to Rotary and the RI Foundation. Congratulations to both.

## Theresa Cunningham

**9/18/2020** –Our club's speaker this week was Theresa Cunningham, a real estate specialist in the Princeton NJ area. Theresa is an award winning agent with Berkshire Hathaway HomeServices/Fox & Roach Realtors. Theresa spoke to the club regarding the current real estate market and what improvement recommendations one should make to a home in this environment. Currently inventory of homes for sale in this area is low with high demand. Home are going over asking price (if initial price is set well) and a seller should be selective in the improvements made to the home. One of the current home trends is a desire for more work from home private space in a residence. We thank Theresa for sharing her expertise in this dynamic market with us.

## Eagle Scout Support

**9/2020** –Our club is helping to support Eagle scout candidate Ryanne Fisher. She is part of troop number 87G.

Ryanne is building a brick platform that will provide space for an outdoor classroom at the STEM Academy at Mercer County Technical Schools, which was established in 2015. The STEM program is a more rigorous program intended for college bound students with emphasis on engineering, spatial reasoning with a team/project oriented approach.

We look forward to Ryanne completing her project and joining the club to present her finished project.

9/14/2020-

We are so honored to have Dr. Fauci as a Paul Harris Fellow!! Dr. Fauci is Director of the National Institute of Allergy and Infectious Diseases and has also been awarded the 2020 Peace Award by the Berkeley Rotary Club (California). This award was also given to front-line health care workers worldwide in an online ceremony Sept. 23. He called the front-line workers “the true heroes.”
