### Emily Bakhitah

**9/17/2021** -We welcomed Emily Bakhitah to our meeting on Friday. Emily is a Rotarian from Kenya but she was there to talk about the Rise to Shine Education Foundation (RTSEF).

This foundation operates in Kenya to help vulnerable children, who have been left behind, to receive a high school education. This is an important step to breaking the cycle of poverty that these children have experienced in their lives.

A high school education will permit access to higher education, better jobs and generally empower these children to achieve and help themselves and their families. The foundation provides direct financial support as well as guidance, counseling and support to help them succeed.

**9/24/2021**— The last Friday of each month was our business meeting where discussions at the Board meetings were shared with our members. John sent out a letter regarding in-person meetings. See notice on page 2.

Our speaker on Friday was David Weiner Gohil with Fisherman's Mark in Lambertville. Their mission is to strengthen their community with responsive programs and services that promote stability, health, and education. Fisherman's Mark is an advocate for positive change in the lives of their neighbors and their families.

David talked about the impact of hurricane Ida which created critical needs for shelter, food and basic necessities in the Lambertville area. He also talked about how to help his organization meet those needs through financial and other donations as well as direct hands-on volunteer efforts.
